ELEMENTARY

OUT OF THIS WORLD

In this series we want to blow our kids' minds on how amazing and unlike any other book the Bible is. It is the most published and read book in all history. Every word is true. It tells us of what has happened, what will happen and how to live our lives today.

Memory Verse: Isaiah 40:8 "The grass withers and the flowers fade, but the word of our God stands forever."

Heart of the Lesson: Last week of Jesus' life fulfilled MANY Old Testament prophecies

Parent Engagement Question: Have your kids share with you how the Old Testament is "out of this world" accurate in predicting events of the last week of Jesus' life. A great resource to buy for this age is at [bibleinfographics.com](#).

GKJR

ENTERING THE PROMISED LAND

What an exciting and very active month! We get to go on an adventure as we travel with the Israelites into the Promised Land. We spy out the land, watch the walls of Jericho fall, see how important it is to obey God in the details, and to always look to Him so we don't get tricked. Even little ones can live in victory!

Memory Verse: Come, let us worship and bow down. Let us kneel before the Lord our maker. Psalm 95:6

Heart of the Lesson: The Israelites worshipped God in the tabernacle - Building the tabernacle - Exodus 35-38

Parent Engagement Question: Worship as a family like the Israelites did. Make a tent fort and sing a song together (you can go to [visitgracekids.com](#) and play one of our worship songs).

NURSERY

GOD MADE THE ANIMALS
CREATION

This month we will be learning that "God made the animals". We will talk about different animals in different settings in order to reinforce the understanding that God made them all. Spend the month looking for different animals God made with your toddler

Memory Verse: God made the animals. Genesis 1:25 (adapted)

Heart of the Lesson: God Made the Creatures of the Sea

Parent Engagement Question: Sometime this week, draw fish with colorful crayons. Use blue watercolors to paint the water on the paper. The water will not stick to the crayon making a fun artistic painting. Remind your toddler that God made the creatures of the sea!

SPECIAL NEEDS ADULTS

BE KIND

This online series, #BeKind, was designed to help your group grow in love and kindness toward others. There will never be an excess of kindness in this world. In fact, our families, our neighborhoods, our communities, and our world need kindness more than ever. The fantastic news is that anyone can #BeKind and there are unending creative ways to show kindness and love to others!

Memory Verse: "Be kind and loving to each other, and forgive each other the same as God forgave you through Christ" Ephesians 4:32 NCV

Heart of the Lesson: Jesus Shows Kindness to the Hurting - John 11:21-45

Parent Engagement Question: Why were Mary & Martha hurting? How did Jesus show kindness to Mary & Martha? How can we be kind to those who are hurting? Who do we know in our lives who might be hurting right now?
